

THE ALBRECHT-KEMPER MUSEUM OF ART

REGIONAL HIGH SCHOOL ART EXHIBITION March 8 – April 9, 2009

The mission of the Albrecht-Kemper Museum of Art is to bring the excitement of American visual arts to the region through education, temporary exhibitions, the permanent collection, and the nurturing of regional artists.

The annual *Regional High School Art Exhibition* is an invitational exhibition, with schools from Northwest Missouri and Northeast Kansas asked to participate. Artworks are divided into categories based on media and/or technique.

Three jurors rate all categories independently. After the three jurors' results are tabulated and compiled, First, Second, and Third Place, plus Honorable Mentions are awarded in each category.

This year, 38 teachers from 30 schools entered a total of 161 artworks from 142 student artists.
